**SOUTH PUGET SOUND
WOODTURNERS
(SPSW)**

**October II,
2009**

Come and learn something new

Hopefully you enjoyed the September SPSW meeting as much as I did. Dave Schweitzer once again gave a very informative and applicable demo on multiple turning topics. Thanks Dave, it is always fun!

This month we will be presenting our fall mini symposium, showcasing 12 different demonstrators, each covering a different woodturning topic and skill set to help you expand your individual knowledge. Be sure to visit each one of the stations and ask a lot of questions.

Speaking of expanding, with the continuing growth of our club the SPSW Board has decided to rent the entire hall for all of our future meetings. We are always working on ways to provide the membership with a better quality of meeting and a more conducive environment for learning the craft of woodturning.

Normally at our mini symposiums we do not have a wood raffle or a show and tell. However with the new addition of the extra room we will have a couple of tables set up for the display of your recent turnings. I look forward to seeing your latest creations. To make room for this month's demonstrators, we will NOT be having a wood raffle. We will be having a raffle for a free membership for next year.

We will start collecting dues for 2010 at the November meeting. Due to increased expenses at both the meeting hall and storage unit we have made the decision to raise the dues from \$25 to \$30. Hopefully this isn't too much of a burden and you still think it is a very good bargain.

See you on the 15th, and remember be safe, make chips and have fun!

~Pat McCart, SPSW President
