President's Letter By Kathy Garlick

November is already upon us as December looms near. Giving Thanks for all that we have is foremost in our thoughts. I am thankful for all of you, my friends that I hold dear in my heart. I am thankful for your trust in me leading the South Puget Sound Woodturners for the last 3 years. I am extremely thankful for the wonderful board of directors who are so willing to work and serve alongside me in support of my endeavors to bring our club into a sustainable and financially stable future. I hope I have served you well. It is because of you all that we have such an amazing group of individuals and friends.

November brings our annual elections, thank you John Howard for your service as our current immediate past-president in gathering names and preparing for our elections this month. The newly elected board of directors will take over in January for the 2027 year. We will have 5 new board members, thank you all for stepping up. November is also the last month you can fill out tickets for our Annual Holiday Party & Pot-luck on December 17th.

If you have brought anything for show and tell, entered into the president's challenges, helped with set up or clean up, volunteered at the fair or wrote a newsletter article then please fill out a ticket with your name to enter our drawings for some really great prizes.

Speaking of Holiday Party & Pot-luck, the food assignments are as follows:

A-I—Main Dish;
J-P—Salad;
Q-Z—Dessert

Our activities for the evening will include door prizes, helper tin prizes, gift exchange and great company! We have some wonderful gifts to give this year and look forward to having a fabulous time with YOU. (If you would like to participate in the gift exchange, please have your gift wrapped or in a gift bag.)

I would like to thank all of you who have so graciously participated in all of the President's Challenges this year. I look forward to next year and in having more of your entries in the challenges. I am completely blown away by the talent in our group in both the President's Challenges and in our monthly Show and Tell works of art. The amount of artistry and creativity is next level for my feeble attempts. But one needs to have some area of growth and I aspire to be more like you.

Happy Turning,

Kathy

Reminder: The ticket tin at the membership table is for those who help out each month with set up, take down, general helping as listed on the tin, bringing a President's Challenge Piece, bringing a Show-and-Tell item. Each one of these things gets you one ticket. (Just sign your name on the back and put it in the tin.) These tickets are for our Christmas Party Participation raffle.

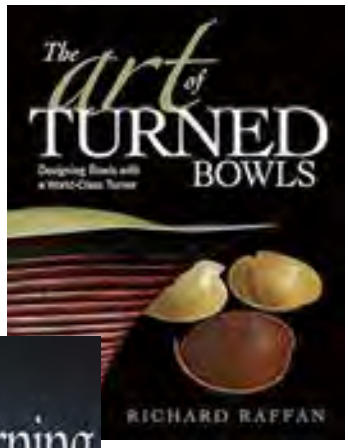

Put your tickets in the tin to win!

SPSW—Bowl Design—2026

Our November demonstration will be a special evening focused on the topic of Bowl Design. We will start the evening guided by the wisdom and insights of Richard Raffen and David Ellsworth. Both turning legends share so many of their wonderful insights in their publications—*The Art of Turned Bowls (Designing Spectacular Bowls with a World-Class Turner)*, Richard Raffen; and *Ellsworth on Woodturning (How a Master Creates Bowls, Pots, and Vessels)*, David Ellsworth.

We will then transition to a panel discussion and showcase on Bowl Design featuring a few of SPSW's talented and creative members including Dave Best, Pat McCart, Ethan Green, Dan Stromsted, John Howard, JoAnn Amberg, Ashley Sherrill and Ed White. The goals for the evening are to take some of the mystery away from bowl design, and shed some light on the approaches and joys of designing and making a nice bowl.

November Store

The Store Sales table will be open again during our November meeting with our full array of adhesives, abrasives, finishes, and wood-turning accessories. I have been working this past month to ensure were all stocked up on all the products commonly used by our membership.

I am sorry to tell you that the person that was going to run for the board position of Director of Store Sales is now unable to fill that position for 2027. Therefore, we need another volunteer, or we may not have store sales open at every meeting until the position is filled. Having done this job for the past 5 years, I will be more than willing to help anyone interested in any way needed for as long is needed. I hope that someone is willing to step forward so that we can preserve the ability of the membership to have access the these great products at excellent prices.

Secondly, you should be aware that, due to a busy schedule of events at the annual Christmas party, **we do not have Store Sales available during the December meeting**. That means that we will not have the store sales open until at least January and January assumes that we have someone in the Store Sales position by then. So what I am trying to say is that if you need anything or anticipate running our of anything we are selling, try to get it at this next meeting.

Please stop by and pick up what you need! Also let us know how you like the materials you have gotten from our club's store. Further, we are always interested in your feedback and suggestions for commonly used items that we might want to add to our inventory in the future.

If you might be interested in taking on the role of director of Store Sales and would like to talk about it, please give me a call at 253-370-5704. I would love to talk with you about it.

Until then, stay sharp and keep those chips flying! *John Howard*

Hello and Welcome to The Harvest

Winter is coming just around the corner. Just a reminder that this is the time of year to prune your trees as the sap is pulled into the roots of your deciduous trees as they hibernate for the winter. This also means that this is a good time for harvesting where the bark is more likely to stay on for a beautiful live edge piece and there is also less sap in your green wood.

Here is some harvest news from October. We had our first harvest of the month in the south end (University Place) of Maple from new member Cynthia followed by our second harvest of the month, a triple threat of Monkey Puzzle, Cypress and Maple in the North End (White Center), courtesy of Brian and Kent. We want to thank all of the wood rats who participated in these harvests.

As we end this year, I would like to thank all of you who joined the wood rats and found value in your $10.00 membership. I will be collecting wood rats memberships/renewals starting in January for the 2027 harvest year.
In 2026 we were able to harvest many trees and wood from all across the area, from Birch, Cypress, Monkey Puzzle, English Walnut, Cherry, and Maple over several harvests.

Head Rat,

Devin

AAW/SPSW Connections for November 2026

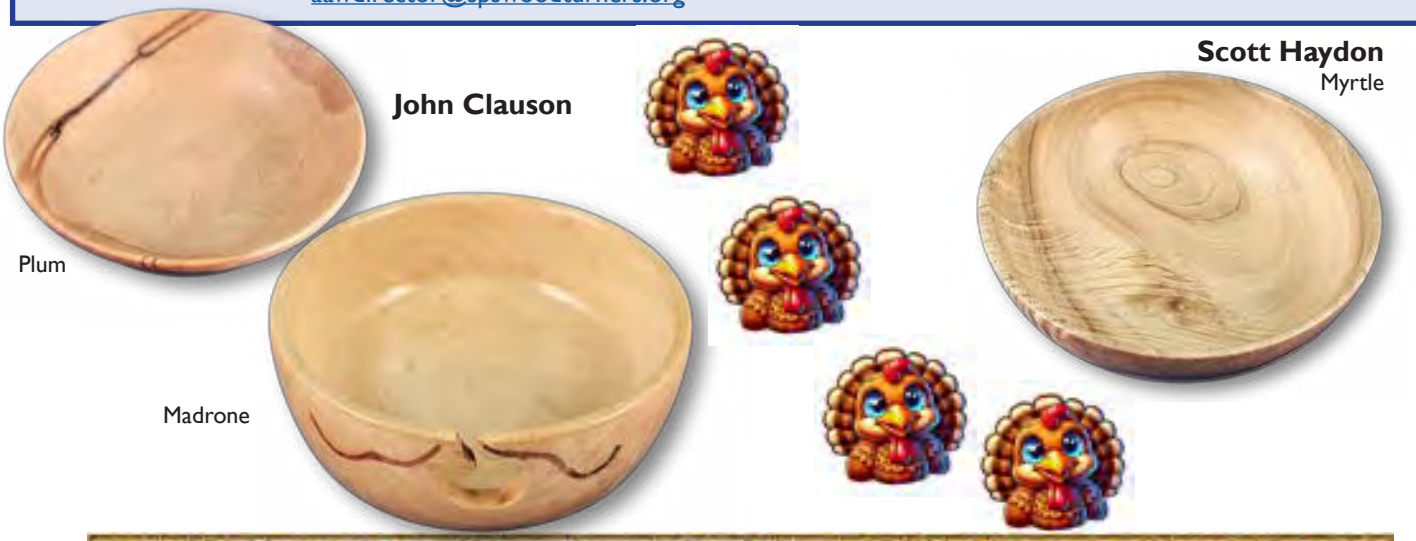

Hello again, this is Kent Horton, your AAW/SPSW liaison. Good News! AAW has developed and put online their new website – not only can AAW help you become a better woodturner through their publications, it is now much easier to navigate to locate relevant information on projects and techniques. It has long been a frustration of mine in not being able to find past articles about a particular woodturning topic, be it in their "American Woodturner" magazine or their related publication "Woodturning Fundamentals". Now, by entering a topic into the "search" function, you are provided with a host of articles related to that topic from both of these AAW publications. I suggest you give it a try.

Another thing I noticed with the new Website format, AAW seems to be working harder to promote regional woodturning symposiums. The new website provides a calendar of woodturning events that you can click on to get additional detailed information, such as the Bi-annual Oregon Woodturning Symposium on March 19-21, at the Linn County Expo Center in Albany, Oregon. The line up of presenters includes SPSW club favorites such as Elizabeth Weber, Eric Lofstrom, John Beaver and many more. Check it out! This years' AAW Annual International Symposium will be held on June 24-27, in Oklahoma City, Oklahoma. More information will be forthcoming.

The new AAW website format has lots to offer – take a look!

Yours in turning,

Kent Horton,

Seattle WIT Event

Hello all,

This year we were fortunate to participate in a WIT event in Seattle on October 25th. The second annual Women of Woodworking Showcase & Workshops was a full day event with three classes where some of us learned some new knife skills as we carved Branch Coat Hooks with Mary Vu Tripoli; we each made a Carved Spoon using a spoke shave and a hook knife with Kim McIntyre; and made a Tealight Candlestick Turning on the lathe with Diana Friend. The days' events took place at the Pratt Art Center in Seattle. Thanks to Elizabeth Weber for organizing the event and our hostess and sponsor Hope Mathews. The event had women (and a few gentlemen) from all over the region, attendees in our group came from Seattle, Redmond, Puyallup, Bonney Lake, Chehalis and Hood River, Oregon. It was nice to meet and see so many women who enjoy wood working in its many forms. I am hoping that more ladies from the SPSW will take advantage of this wonderful day of events in the future. This year JoAnn Amberg, Brandi Lowrance and I had the privilege of attending.

The instructors for the days' events, Mary Vu Tripoli teaches many different wood classes and is an accomplished artisan; Kim McIntyre is another instructor with an approach that helped us all to feel more confident in our very freshman skillset; and Diana Friend is a wood turning instructor with a kindness and assuring approach to help in any way we needed. All of these ladies teach classes at the Pratt Art Center and would it be worth your time and efforts to learn from them. Overall, it was such a wonderful experience to learn alongside other women and artisans. All instructors are wonderful artisans and we are thankful that they shared their talents with us.

2027 Membership Renewal Opens in November!

It's hard to believe we're already looking ahead to 2027! Beginning in November, South Puget Sound Woodturners members can renew their membership for the coming year.

Your membership helps support our monthly meetings, demonstrations, educational programs, special events, and the many other activities that make SPSW such a great community for woodturners of all skill levels. We appreciate your continued support and hope you'll join us for another year of turning, learning, and sharing!

Renewing your membership is easy, and you can choose whichever option works best for you:

In Person
Stop by the membership table at one of our monthly meetings. I'd love the opportunity to meet you, say hello, and help with your renewal! We accept cash, check, or credit card.

Online
Visit spswoodturners.org and select **Membership Renewal** under the **For Members** section. Complete the online form and securely submit your annual dues through Square.

By Mail
Make your check payable to South Puget Sound Woodturners or SPSW and mail it to:
South Puget Sound Woodturners
PO Box 1792
Milton, WA 98354

Editors' note" The membership form is on page 12 of this newsletter

Renew Early and You're Set for 2027!

Renewals begin in November, so there's no need to wait until the new year. Take care of your 2027 membership early and you'll be all set for another year with SPSW.

Thank you for being part of the South Puget Sound Woodturners. Our club is what it is because of the members who participate, share their knowledge, encourage one another, and keep the chips flying!

I look forward to seeing you at the membership table!

Brandi Lowrance
Membership Director

VOLUNTEER OPPORTUNITIES

Show and Tell

At the meetings, we could use a hand with our show and tell, getting items in front of the cameras and also making sure that during our demonstrations that a microphone is available to audience members for questions so all can hear, even those at home.

Store

We would like to have a few more volunteers to be able to fill in when needed for the Club Store so it isn't too much for John. If you are familiar with how the Square card reader works is a bonus for us all!

AV Assistance

We could use a couple of extra hands with our AV/Zoom with Ramon Lyn. Set up and take down takes a lot of time for one person causing us to start a little late each month and getting out of the building after our meetings. Ramon is happy to train you on set up and take down to store our cameras and equipment.

Participation Tickets

Want more chances for prizes at the December meeting?
If you participate in **Show and Tell**, **Wood Donation**, or **Set-up / Clean-Up**, make sure you fill out a participation ticket.

2027 Membership Renewals

If you enjoy SPSW please take the time to renew your membership.

The dues for 2027 are only $55 for the entire year and that is for your whole family.

Brandi Lowrance, our Director of Membership, is taking dues for the 2027 year. I hope each of you will join us again for another event-filled year. I would like to encourage everyone to get your 2027 dues paid as soon as possible.

Your dues are what enable us to rent our great meeting facility, provide equipment like the new multiple camera system used to enable members to better view demonstrations in person and on-line, and purchase the tools and equipment we need to run demonstrations and sawdust sessions.

You can either pay your dues at the meeting, or an even easier method is to do it online through the members only tab on the SPSW website.

Table of Contents

We are now collecting dues for 2027. Dues for individuals or for the whole family are $55/year. For new members, the dues are prorated from the month you join. We accept cash, check, Visa®, MasterCard®, American Express®, Discover® or debit card.

This is still one of the best deals around. For just $55 you get a monthly meeting featuring top notch presenters, an avenue to display your talents, and a forum to seek advice and ask questions. You have access to a group of mentors who can help you improve your skills.

Also, there is a monthly "open turning session" (our Sawdust Sessions) on the Saturday following the meeting. Use the membership application below and pay at the meeting or mail it to the address on membership form.

We now also have the option for you to join, renew, or just donate. We are a registered 501 (c)(3) non-profit organization. You can pay at the meeting, or on-line! Just go to our website (www.spswoodturners.org), fill out the form, and pay at that time.

AAW membership is separate from membership in the SPSW Chapter. Now is also a good time to sign up for the American Association of Wood turners (AAW). Annual memberships in the AAW operate on an yearly anniversary cycle, whereby your membership will start with your join date and continue until the same date the following year.

If your level of AAW membership includes a printed copy of the American Woodturners journal, you will receive six issues starting with the issue published after you join or renew.

1. **The Zoom meeting invitation is only sent to active members.** So, if you have not paid your dues since October 2025, you will need to go to the members tab on the SPSW website (spswoodturners.org) and renew your membership. Please note that it would normally cost more for just one of these demonstrations than your SPSW dues for the entire year.

2. Before the scheduled meeting, you need to go to zoom.com and download the free "Zoom Meetings" app. The Zoom download is quick, easy, and free!

3. **Information and Invitation Delivery Schedule:**

    a. **The Wednesday the week before the meeting** – The Zoom Meeting Invitation will go out to our active member's distribution list. (This is if we get the link by then)

        i This invitation contains a link that appears in blue letters. Just click it to join the remote demo on Thursday.

        ii Please save this where you can find it.

            1. If you don't see the invitation(s) in your inbox, then please check your "junk" or "spam" folder. If you get our newsletters, the meeting invitation should come right into your inbox.

            2. If you did NOT get the email, the link will be posted on the SPSW website under For Members/Zoom Meeting Link

    b. **The Saturday before the meeting.** – A reminder will be e-mailed to our active member's distribution list.

    c. **The day of the meeting** - Log into the meeting by 6:30pm

        i. The demo will start at 7:00pm

        ii. When you click on the link, you will be asked if you want to join with video and audio. Answer "yes" to both, then you will enter a virtual waiting room. Wait just a few seconds and one of the co-hosts will admit you into the actual meeting.

        iii. **Note:** If you have previously downloaded the app, you may see an update is available. If you see it, please update your app. Zoom is making frequent changes to the program to strengthen security.

        iv. Devices used to view the demo can be smartphones, tablet computers, laptops, etc. To fully participate, the device needs to have audio and a camera.
