

SOUTH PUGET SOUND WOODTURNERS SPSW

July 10, 2010

July - Paul Crabtree

Paul began woodturning January 2003, in Fort Lauderdale, FL. He was not interested in turning anything but hollow forms. Though both his mentors strongly suggested he start with something easier, all he

wanted to do, really, was hollow forms. The problem was, there were no hollowing tools he liked. George and Lee, his mentors, invented the out rigger idea for a hollowing tool. That very crude hollowing tool became popular in his club. After about a year, George began to pursue development of the tool. After much R&D the tool came to be what it is today. Paul has had two very interesting challenges since he started turning, hollow forms and the tool to make them.

Special July Event

Letter from the President

Summer is finally here!!!

We are holding our annual Potluck Picnic / Wood & Tool auction on July 17th from Noon - 4 PM at the Swiss Sportsman Club in Bonney Lake. The auction is sure to provide lots of lathe ready blanks, along with roughed out bowls and big pieces containing several blanks. Each blank will be won for pennies on the dollar. This is a great opportunity to win some really terrific wood. There will also be various tools up for bid.

If you have any good turning blanks or used tools that you aren't using (and who doesn't?!?), and could donate to the auction, that would be great!

All the proceeds raised will go into a fund dedicated to the purchase of an enclosed trailer to transport the SPSW's equipment to club's activities throughout the year. We will also be earmarking all monies raised during our monthly wood raffles. Owning a trailer will also allow us to stop paying ever-increasing rental fees at the storage unit.

July also begins the search process for next year's SPSW Board members. There are many positions that will be open due to several of our long-serving board members looking to find replacements for their positions. If you are interested in running for a board member position, please let me know.

The July 15th meeting is sure to be informative and entertaining with our very own Paul Crabtree demonstrating hollow forms with his quality hollowing tool.

The next day world renowned turner, Eli Avisera will be holding an all day class at Nancy Sweazey's shop from 9 - 3. There are still a few seats available but hurry, seating is limited to 40. The cost is \$25.

See you on the 15th! ~Pat

Corrections to June newsletter:

Apologies to Dan Stromstad, whose name was misspelled and to Stephanie Lane, who was not listed as one of the demonstrators.
