Letter from the President

Let me once again start my portion of our monthly newsletter with a BIG thank you to each and every member that has helped with the setup of the equipment at the last 2 meetings. A special thanks to Brad Husby for towing the equipment trailer to the meetings.

Many of you may be aware of the reason that I was unable to attend our September meeting. Over the Labor Day weekend I aggravated my lower spine to the point of requiring a 5 day stay at a local hospital. MRI tests showed nerve impingement requiring surgery. I underwent the procedure on the 28th and everything went well. I plan **on being at this month's meeting with Michael Dresdner.**

Michael brings with him a wealth of knowledge covering many diverse areas of woodworking. His knowledge of all kinds of finishes and enhancements could fill a book. Michael is a multi-talented person that weaves his many talents into an informative and entertaining demonstration.

Sawdust sessions are back on for the months of October and November. They start at 9 and go till after lunch. Bring safety glasses, tools and wood along with your lunch and come for the free lesson.

Be safe, have fun and make shavings. See you on the 19th
Pat

President's 2017 Challenges

We are starting a new feature for SPSW general meetings in 2017, a President's Challenge, which will be open to all members who wish to participate. The purpose of the challenge is to take you out of your 'comfort zone' and encourage you to learn new techniques, the use of different tools, and encourage problem solving. The idea is to make the item (s) which meet the requirements listed in the chart below and bring it or them for Show and Tell at the specified monthly meeting. Please note some items set a test parameter.

Just bring your completed piece to the general meeting on the 3rd Thursday of the listed month. Each "challenge" allows you freedom of expression and there is no expectation regarding what you turn, so long as it meets the criteria listed.

Items will be judged by an impartial panel, based on the description in the requirements section. All participants will get a round of applause and the satisfaction of having acquired some new skill and knowledge. Each entrant will get a Participation Award ticket for the annual PA drawing in December. The winner will get 2 tickets.

*The August Presidents challenge of a 3 footed bowl has been moved to September 21st

Meeting	Challenge	Requirements to be met
February 16 th	Sphere	Challenge completed
April 20 th	Birdhouse	Challenge completed. Golf ball and tee was the winning bird house.
June 15 th	3 Tops	Challenge completed
*September 21 th	Footed natural edged vessel	Any size. Wall thickness at rim must not be more than 3/8ths of an inch thick and the edged vessel rest of the bowl must have a consistent wall thickness dimension which may differ from edged vessel rest of the bowl must have a consistent wall thickness dimension which may differ from the rim. The footed base may have 3 or more feet and the piece must stand with the rim parallel to the surface on which the piece sits No test to this. Originality, adherence to the requirements, style and effectiveness of footing, and amount of natural edge bark are the judging criteria. Your Choice of woods.
October 19 th	Lidded box	Any size or style, May be single box or stacked boxes, Requirement is that the piece must be a box with a lid. Test is how well the lid fits (not how tight the fit is). Extra points for innovative design, integrated knob (turned from the same piece of wood and not added onto the lid), threading the box and lid, originality, and overall aesthetic appeal. Your choice of woods.
December 21 st	Holiday ornament	Be creative. Do something you have not done before using at least 2 species of wood. No test to this. Judging criteria include lightness (weight), originality, and design balance. Your choice of woods.

AAW Tips for Woodturners

Extending Mega Jaws

In order to increase the capacity of my Oneway mega jaws, I cut 1" × 10" (3 cm × 25 cm) hard maple strips and drilled mounting holes for both the strips and rubber buttons. I attached the buttons with wood screws. The bolts that came with the jaws hold the strips. I can now hold bowls up to 24" (60 cm) OD.

2018 Membership

We are collecting 2018 dues. Dues for the whole family are \$35. We accept cash, check, Visa®, MasterCard®, American Express®, Discover® or debit card. This is still one of the best deals around. For this, you get a monthly meeting featuring top notch presenters, an avenue to display your talents, and a forum to seek advice and ask questions. You have access to a group of mentors who can help you improve your skills.

Also, there is a monthly open turning session (Sawdust Session) on the Saturday following the meeting. Use the membership application below pay at the meeting or mailing it to the address on membership form.

We now also have tile option for you to join, renew, purchase supplies or just donate, we are a registered 501 (c)(3) non-profit organization.

Now is also a good time to sign up for the American Association of Wood turners (AAW). Annual memberships in the AAW operate on an anniversary cycle, whereby your membership will start with your join date and continue for one year.

If your level of membership includes a printed copy of the American Woodturners journal, you will receive six issues starting with the issue published after your join or renew date.

You can pay online! Go to our website, fill out the form, and pay with PayPal.
