Letter from the President — Holiday Party!

One of the biggest events on the annual SPSW calendar is our annual holiday dinner. This is a potluck event, and the food is always great. Also, each year, we purchase gift certificates or high-quality turning tools from the many vendors that support all of us through the year. We also will be buying some \$800 worth of excellent bowl blanks and other wood. All of this will be given away to members attending this event. **DON'T MISS IT!!!**

Our goal this year will be for every member to go home with at least one piece of wood. Members get tickets from Terry Broberg at the membership table. Members earn tickets at our meetings by participating! This is by helping to set up, put things away, unload or load the trailer, or bringing something for show and tell. In this way, you can earn up to 3 tickets per meeting. If you have not gotten your tickets in, stop by and see Terry at the December meeting and catch up. If you know you helped set up at 5 meetings, get 5 tickets and put your name on them, then put them in the can. If you brought show and tell projects in 4 times, get another 4 tickets. But get your tickets in the can, as these are the tickets will be drawn to distribute the tools, gift certificates, and a few very special pieces of wood.

After last year's holiday party, the Board noticed that some of our more active members with lots of tickets in the can ended up with multiple raffle items, where other members walked away from this event with only a piece of wood. This year, as I mentioned, we want everyone to be able to get something at the raffle. Therefore, we are going to limit each member to one prize. If one of your tickets is drawn from the can you will get the item being raffled off. But if another of your tickets is called, then you will have a choice. You can either keep the prize you already won, or if you like the new item better, then you can give the first item back and take the new one.

The Board hopes that this change will further encourage participation in meetings, but also spread the wealth a bit further than has sometimes happened in the past.

For those that want to get started planning what food you will bring to the December potluck, we will change it up a little this time. So...

If your last name starts with A – I: Please bring a dessert
If your last name starts with J - S: Please bring Salad or chips
If your last name starts with T – Z : Please bring a main dish or vegetable

Classified Ads: Our website now has a new feature for members. If you have tools or equipment you want to sell, we can put a classified ad on the website. Contact our webmaster, Tim Spaulding and let him know what you have.

Be safe and keep making shavings!

The SPSW Needs You!

In any club like ours, 80% of the work is done by about 20% of the people. But there comes a time, when a few of that that 20% need to step back. Although we value each and every one of our members, if we can rely on a little help from the general membership when we need it, it makes the club vibrant and more fun for everyone.

We have a situation like that now. Don Westergard, our long time “newsletter guy” needs to step down from that role. I know we all appreciate and thank Don for all he has done to help keep everyone informed by assembling and distributing the newsletter each month.

The newsletter is critical to the SPSW, the primary method that we use to communicate with our 170+ active members. It is a very important service that is used by all our members. We need someone to step forward and fill this role. It is a board position, which means one extra meeting per month.

If you have the capability, please consider stepping forward to help us by getting out the monthly newsletter. Don has indicated he is willing to help you get started. Not that much writing is involved. The main things that change are the description of each month’s presentation, which is written by the presenter, and the president’s message that I write. So mainly, the job is cutting and pasting those into the newsletter, and e-mailing o the membership. There are a few members that get a hard copy mailed to them.

So if you are interested, please give me a call at (253) 370-5704 to discuss it, or I can put you in direct contact with Don to discuss what he does each month in detail.

Be safe and keep making those shavings!

John
